Section 1 — Introduction

This directory provides a list of Piedmont WellStar Medicare Choice's network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage.

If you join the Piedmont WellStar Medicare Choice HMO plan, you **must** use network providers to obtain medical care and services. You will have to choose one of our network providers who are listed in this directory to be your **Primary Care Physician (PCP)**. The term "PCP" will be used throughout this directory.

A PCP should be your first point of contact for undiagnosed health concerns or health problems and routine health care needs. Besides providing much of your care, your PCP will help arrange or coordinate the rest of the covered services you get as a plan member. This includes your x-rays, laboratory tests, therapies, care from doctors who are specialists, hospital admissions, and follow-up care. Referrals are **not** required with our Piedmont WellStar Medicare Choice HMO plan, but your PCP should be your primary resource when seeking specialist care, hospital care, and coordination of your medical services.

The "network providers" listed in this directory have agreed to provide you with your health care coverage. You may go to any of our network providers listed in this directory. If you have been going to one network provider, you are not required to continue going to the same provider. In some cases, you may get covered services from non-network providers, such as for emergency, urgent care, or out-of-area renal dialysis.

What is a medical emergency and what is covered?

A medical emergency is when you believe that your health is in serious danger. A medical

emergency includes severe pain, a bad injury, a sudden illness, or a medical condition that is quickly getting much worse. **You may get covered emergency medical care whenever you need it from the nearest hospital or provider, anywhere in the United States.** You don't need to get approval first from Piedmont WellStar Medicare Choice or your doctor.

If you have an emergency, our plan will talk with the doctors who are giving you emergency care to help manage and follow up on your care. The doctors who are giving you emergency care will decide when your condition is stable and the medical emergency is over. After the emergency is over, you are entitled to follow-up care to be sure your condition continues to be stable. Your follow-up care will be covered by our plan. If your emergency care is provided by non-network providers, we will try to arrange for network providers to take over your care as soon as your medical condition and the circumstances allow.

With the Piedmont WellStar Medicare Choice HMO plan, you must use plan providers except in an emergency, urgent care situations, or for out-of-area renal dialysis services. If you obtain routine care from out-of-network providers, neither Medicare nor Piedmont WellStar Medicare Choice will be responsible for the costs.

How to submit a paper claim

Piedmont WellStar Medicare Choice network providers bill us directly for Medicare-covered medical services that you receive. If a non-network provider sends you a bill, please call Member Services or send the bill to us for

payment. We will pay your doctor or reimburse you for our share of the bill and will let you know what, if anything, you must pay (e.g., copayments, coinsurance, or deductible). If you have any questions about how to submit a paper claim, please contact us. Our contact information appears on the front and back cover pages. Or you can mail your claim to: Piedmont WellStar Medicare Choice, 600 Grant Street, 24th Floor, Pittsburgh, PA 15219.

There is also an alphabetical index in the back of the directory that lists both the medical providers and pharmacies for your convenience.

Piedmont WellStar Medicare Choice Pharmacy Directory

For more information, please contact Piedmont WellStar Medicare Choice Member Services at **855-222-1047** or, for TTY users, **855-275-1266** from 8 a.m. to 8 p.m., seven days a week* or visit **www.pwplans.org**.

This Pharmacy Directory was updated on September 1, 2013.

Piedmont WellStar Medicare Choice is a Medicare Advantage HMO plan with a Medicare contract. Enrollment in Piedmont WellStar Medicare Choice depends on contract renewal.

This document may be available in an alternative format such as Braille, larger print or audio; please call Member Services at 855-222-1047 (TTY - 855-275-1266).

*Our hours of operation change throughout the year. We are available to take your call: Oct. 1, 2013 through Feb. 14, 2014 from 8 a.m. to 8 p.m., seven days a week and Feb. 15, 2014 through Sept. 30, 2014 from 8 a.m. to 8 p.m., Monday through Friday, and 8 a.m. to 3 p.m. on Saturday.

Introduction

This booklet provides a list of Piedmont WellStar Medicare Choice network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Piedmont WellStar Medicare Choice formulary.

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to plan members. In most cases, your prescriptions are covered under Piedmont WellStar Medicare Choice **only** if they are filled at a network pharmacy or through our mail-order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of September 1, 2013. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

This pharmacy directory contains the following sections: chain pharmacies, retail pharmacies, home infusion pharmacies, long-term care pharmacies, specialty, and mail-order pharmacies. We also list pharmacies (e.g., specialty pharmacies) that are in our network but are outside our Atlanta service area. There is also an alphabetical index in the back of the directory for your convenience.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact Piedmont WellStar Medicare Choice.
