

MedStar Select

MedStar Select Provider Network Directory

This directory is a list of providers in the MedStar Select Provider Network.

The MedStar Select Provider Network is for MedStar Health's benefit-eligible associates and their families who may enroll in the MedStar Select medical plan. There is value in choosing MedStar Select, as out of pocket costs and contributions are lower and your healthcare provider may be located close to where you live or work. Use this directory to find out if your providers are participating and to determine if MedStar Select is right for you and your family.

Some providers may be added to the network after this file was created. To get the most updated information about the MedStar Select Provider Network, visit **www.MedStarMyHealth.org**.

This PDF is a list of medical providers. View the Behavioral Health Network for MedStar Select at **www.MedStarMyHealth.org**.

This is the network of Magellan Behavioral Health providers (counselors, psychiatrists, psychologists, etc.) available to MedStar Select members.
