Section 1 — Introduction

This directory provides a list of MedStar Medicare Choice’s network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage.

If you join a MedStar Medicare Choice HMO plan, you **must** use network providers to obtain medical care and services. You will have to choose one of our network providers who are listed in this directory to be your **Primary Care Physician (PCP)**. The term “PCP” will be used throughout this directory.

A PCP is often your first point of contact for undiagnosed health concerns or health problems and routine health care needs. Besides providing much of your care, your PCP will help arrange or coordinate the rest of the covered services you get as a plan member. This includes your x-rays, laboratory tests, therapies, care from doctors who are specialists, hospital admissions, and follow-up care. Referrals are **not** required with our MedStar Medicare Choice HMO plans, but your PCP is a good resource to use when seeking specialist and hospital care and coordination of your medical services.

The “network providers” listed in this directory have agreed to provide you with your health care coverage. You may go to any of our network providers listed in this directory. If you have been going to one network provider, you are not required to continue going to the same provider. In some cases, you may get covered services from non-network providers, such as for emergency, urgent care, or out-of-area renal dialysis services.

What is a medical emergency and what is covered?

A medical emergency is when you believe that your health is in serious danger. A medical emergency includes severe pain, a bad injury, a sudden illness, or a medical condition that is quickly getting much worse. **You may get covered emergency medical care whenever you need it from the nearest hospital or**

provider, anywhere in the United States. You don’t need to get approval first from MedStar Medicare Choice or your doctor.

If you have an emergency, our plan will talk with the doctors who are giving you emergency care to help manage and follow up on your care. The doctors who are giving you emergency care will decide when your condition is stable and the medical emergency is over. After the emergency is over, you are entitled to follow-up care to be sure your condition continues to be stable. Your follow-up care will be covered by our plan. If your emergency care is provided by non-network providers, we will try to arrange for network providers to take over your care as soon as your medical condition and the circumstances allow.

With the MedStar Medicare Choice HMO plans, you must use plan providers except in an emergency, urgent care situations, or for out-of-area renal dialysis services. If you obtain routine care from out-of-network providers, neither Medicare nor MedStar Medicare Choice will be responsible for the costs.

How to submit a paper claim

MedStar Medicare Choice network providers bill us directly for Medicare-covered medical services that you receive. If an out-of-network provider sends you a bill for emergency or urgent care services or out-of-area renal dialysis services, please call Member Services or send the bill to us for payment. We will pay your doctor or reimburse you for our share of the bill and will let you know what, if anything, you must pay (e.g., copayments, coinsurance). If you have any questions about how to submit a paper claim, call Member Services at 855-222-1041, seven days a week from 8 a.m. to 8 p.m.* TTY/TDD users should call 855-250-5604. Or you can mail your claim to: MedStar Medicare Choice, Member Services Department, P.O. Box 1200, Pittsburgh, PA, 15230.

MedStar Medicare Choice Pharmacy Directory

This booklet provides a list of MedStar Medicare Choice's network pharmacies. Please contact MedStar Medicare Choice at 855-222-1041, seven days a week from 8 a.m. to 8 p.m.* for additional information. TTY/TDD users should call 855-250-5604.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. To get current information about MedStar Medicare Choice network pharmacies in your area, please visit our website at **medstarmedicarechoice.com** or call Member Services at 855-222-1041, seven days a week from 8 a.m. to 8 p.m.* (TTY/TDD users should call 855-250-5604.)

NOTE: Beneficiaries must use network pharmacies to access their prescription drug benefit. Benefits, formulary, pharmacy network, premium, and/or copayments and coinsurance may change on January 1, 2014.

A pharmacy's listing in this directory does not guarantee that the pharmacy is still in the network. This directory is current as of September 2012.

MedStar Medicare Choice is a Medicare Advantage Organization with a Medicare contract.

This document may be available in an alternative format such as Braille, larger print, or audio. Please call Member Services at 855-222-1041 (TTY/TDD - 855-250-5604).

This information is available for free in other languages. Please contact Member Services at 855-222-1041, seven days a week from 8 a.m. to 8 p.m.* TTY/TDD users call 855-250-5604.

Introduction

This booklet provides a list of MedStar Medicare Choice's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and MedStar Medicare Choice formulary. If you have additional questions, please call Member Services at 855-222-1041, seven days a week from 8 a.m. to 8 p.m.* TTY/TDD users should call 855-250-5604. Or visit medstarmedicarechoice.com.

We call the pharmacies in this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to plan members. In most cases, your prescriptions are covered by MedStar Medicare Choice only if they are filled at a network pharmacy or through our mail-order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription. You can go to any of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

*From February 15 through September 30, we are available from 8 a.m. to 8 p.m., Monday through Friday, and 8 a.m. to 3 p.m. on Saturday.
